

THROUGH EVOLUTION COMES PERFECTION

OUR SERVICES

Evolution Construction & Design specialise in quality domestic renovations, restorations and the construction of beautiful bespoke homes throughout inner Melbourne, and the South and Eastern suburbs.

Our team of construction professionals can build anything – any shape, any size, any age. We restore and renovate kitchens, bathrooms or entire homes, and work on all styles of homes from contemporary through to period and heritage.

- ✓ 25 years building experience throughout the residential, commercial and industrial sectors
- ✓ Registered Building Practitioner
- ✓ Qualified Carpenter
- ✓ Certified Sustainable Builder/Green Living Builder
- ✓ Master Builders Association member
- ✓ Fully insured
- ✓ Strict compliance with all current OH&S legislation and regulations
- ✓ Positive working relationships with industry professionals – architects, engineers
- ✓ Client-focused, with constant communication as a priority
- ✓ Jobs completed on time and on or under budget

Prior to hand over, we provide a comprehensive Quality Management check, where we have our own Quality Control expert walk through the job and identify any works that need to be rectified. In doing this, we eliminate the need for tradesmen to linger well after the completion date has passed and ensure our clients can enjoy their newly completed home.

TESTIMONIALS

We thrive on referrals, which our past customers are happy to provide. We love to have raving fans who tell others what great builders we are.

Here's what some of our clients have to say ...

House Restoration – Windsor

Client: George

Steve and the team at ECD did a fantastic job in restoring my Victorian house to its past glory. Steve's communication, knowledge and skills throughout the build saved me both time and money and ultimately left me with a piece of history.

Deck around pool – Sandringham

Clients: Liz and Miles

We wanted to say a big thank you to Steve, Miles and Sam for doing a great job on the decking and frameless pool fence around our pool and outdoor entertainment area.

Bathroom Renovation – Hampton

Clients: David and Gaye

I just wanted to thank Steve for the exceptional work on our bathroom renovation. Even with the small issues that arose, nothing was ever too big a problem.

House Renovation – Altona

Client: Peter

Hi ECD, I just wanted to give you some positive feedback on the renovation. It was a smooth process from start to finish. Steve was very accommodating throughout the build. I am extremely happy with the final result and won't hesitate to recommend you. Thanks once again.

Bathroom renovation – Cheltenham

Clients: David and Sue

Thank you Steve for the wonderful job you did on our bathroom and laundry. From our initial meeting, you listened to our needs and you were very honest and reliable throughout the build. Your passion for building speaks for itself, from the perfectly laid tiling through to the marble accents. Our bathroom looks amazing – THANK YOU!

Bathroom renovation – Mont Albert

Dr Cecilia Johnson

After spending a few weeks sourcing a builder, Steve came highly recommended from a colleague at work. I wanted someone who I could trust with the renovation from start to completion. Nothing was too big an ask as he worked through the Christmas and New Year periods to have the project completed. I have no hesitation in recommending him, should you be in need of a high quality builder who takes away the strain that such projects often place on you when carried out by others less skilled than himself.
