

CAPABILITY STATEMENT

ABOUT US

No Zap Electrical is a well-established family business led by Terry and Irene Simpkins. We've been delivering expert electrical solutions which consistently exceed customers' expectations since 1993.

We specialise in commercial, residential and industrial electrical projects located on the southside of Brisbane, northern Gold Coast and regional areas of southeast Queensland.

Our experienced team of 10 fully qualified electrical contractors offer diverse expertise in all aspects of electrical installations, maintenance and repairs. We are client-focused and responsive to your requirements, paying attention to detail and ensuring the safety of our team, our clients and the public at all times.
